Dear Mr. Sheppard:

I am responding to your letter of June 8, 2021 and June 18, 2021 (copy attached).

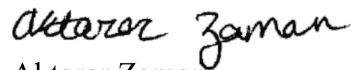

As CEO of Skiplagged, I can confirm:

1. Skiplagged does not “web scrape” data from the Southwest.com website or obtain data from Southwest’s application programming interface.
2. Skiplagged does not sell “hidden-city” flights on Southwest.
3. Skiplagged no longer displays any heart logo for Southwest flights (see screenshot attached).

Given these facts, I assume it is not necessary to go into detail on the many mistaken assumptions and assertions in your letter.

I trust that this resolves this matter. Skiplagged reserves all legal and other rights.

Sincerely,

Aktarer Zaman
CEO
