Ms. Cheryl Hurst
Director Cabin and Regulatory Standards
American Airlines, Inc.

Dear Ms. Hurst:

This letter is to inform you that the Federal Aviation Administration (FAA) is unable to process your request for an exemption from §§ 121.310(f)(5) and (6) of Title 14, Code of Federal Regulations (14 CFR). This letter explains why the FAA cannot process your petition for an exemption and what you must do within the next 30 days, from the date of this letter, for the FAA to be able to process your petition.

Why the FAA Cannot Currently Process Your Request

The FAA received your petition on behalf of American Airlines, Inc., dated September 8, 2022, submitted to the federal docket, Docket No. FAA-2022-1226. However, the FAA is unable to process your petition for an exemption at this time because the information provided in your petition for an exemption does not comply with the requirements of 14 CFR § 11.81 (copy enclosed). For the FAA to consider your petition any further, you must send the FAA all of the following information:

- Your name and mailing address, and, if you wish, other contact information such as a fax number, telephone number, or email address.

What You Need To Do

If you want the FAA to process your petition any further, you must send the information described above. The FAA must receive the information within 30 days of the date of this letter. The FAA considers your petition for an exemption open during this 30 day period. Please note, 14 CFR § 11.63(d) requires you to send your petition for an exemption at least 120 days before the proposed effective date of the exemption.

If the FAA Does Not Hear From You

If the FAA does not hear from you within 30 days of the date of this letter, the FAA will take no further action on this petition, and close the matter for failure to provide a petition that complies with all the requirements of 14 CFR § 11.81. If you have any questions or require additional time, you may contact us at (202) 267-9677.

Sincerely,

Dan Ngo
